SKILLS

Cloud

- EC2
- VPC
- S3
- IAM
- CloudWatch
- Security Groups
- Application Load Balancer (ALB)

Version Control

- Git
- GitHub

CERTIFICATE

- **Microsoft Certified: Azure Fundamentals (AZ-900)**
  Microsoft, September 2026
- **Cloud Computing**
  NPTEL (SWAYAM), MAY 2026
- **Python Programming**
  Besant Technologies, 2022

LANGUAGES

- English
- Telugu
- Tamil

PROFILE SUMMARY

MCA student and Microsoft Certified: Azure Fundamentals holder, building practical cloud skills through guided, hands-on project work. Implemented a full-stack application deployment on AWS covering VPC networking, EC2, Application Load Balancer, S3, and IAM, with exposure to Linux environments and Git/GitHub version control. Seeking a Cloud internship to deepen this foundation and grow into a production environment.

PROJECTS

Cloud Deployment of FoodOrder Application

GitHub: github.com/nareshct/food-ordering-app

Platform: AWS (VPC, EC2, ALB, S3, IAM, CloudWatch)

- Built and deployed a full-stack app on AWS through guided, hands-on implementation — covering a multi-AZ VPC, an Application Load Balancer, and an EC2 instance hosting the application backend.
- Configured an IAM role scoped to S3 access and security groups restricting traffic to the load balancer, gaining exposure to least-privilege access concepts.
- Set up S3 for static asset storage and CloudWatch for basic log and CPU monitoring.
- Managed source code and deployment workflow using Git and GitHub.

WORK EXPERIENCE

Trainee Process Associate | Nov-2024 - Aug 2025
Allzone Management Solutions, Vellore

- Maintained high accuracy on daily operational tasks while consistently meeting productivity targets in a fast-paced environment
- Identified and resolved data discrepancies by following standard operating procedures, developing an eye for detail applicable to technical troubleshooting
- Collaborated cross-functionally to ensure smooth workflow handoffs and timely documentation

EDUCATION

Master of Computer Applications (MCA) 2025 - 2027
R.V.S COLLEGE OF ENGINEERING, Coimbatore.

Bachelor of Computer Applications (BCA) 2021 - 2024
Sri Sankara Arts & Science College, Kanchipuram
